# STAND UP THIS NOVEMBER AND DEMAND ACCOUNTABILITY FOR OUR FREEDOM, OUR FAMILIES, AND OUR FUTURES.

The MAGA Justices on the Supreme Court have made dangerous decisions that impact us all. From stripping away voting rights, to destroying reproductive freedom, to deciding Presidents are above the law, MAGA Justices will continue to rule in ways that control our lives and imperil our livelihoods. If Trump is elected, they will continue down the path of taking away our freedoms in favor of serving their wealthy billionaire backers. There's a better way.

**This November, say NO to Trump and his MAGA Justices and their plan to:**

- ➡ Turn Presidents into kings
- ➡ Enact Project 2025
- ➡ Continue attacking women's rights, just like when they overturned *Roe v. Wade*

**NO ONE IS  
ABOVE THE LAW.  
WE DESERVE BETTER.**
