

Michigan: Leading the Way

Your vote—a beacon for Michigan's future.

Vote on Election Day, November 5

Polls Open: 7am – 8pm

Vote Early from October 26—November 3

Vote to protect our environment, grow our economy, and strengthen our communities.

Together, we can build a **brighter**, more **sustainable** future.

Our waters, clean air, and natural resources are essential to our economy, health, and resilience. As guardians of these resources, we have the power to choose a path forward that creates new jobs, supports affordable energy initiatives, and helps build a sustainable future.

The stakes are high, and your vote matters—not just for us, but for future generations to come.

YOUR VOTE IMPACTS:

- **Clean Energy Jobs** – Economic growth in sustainable careers
- **A Resilient Economy** – Affordable energy we can rely on
- **Strong Communities** – A society where we thrive together
- **Our Environment** – Our air, water, and natural resources
