STOP Michele Morrow and Mark Robinson's DANGEROUS AGENDA

Michele Morrow and Mark Robinson support **extreme policies** that threaten North Carolina's schools, reputation, and economy. They've gone too far, and their **violent rhetoric and extreme agenda** threaten our future.

SPEWING VIOLENT RHETORIC:

Morrow and Robinson use **dangerous, inflammatory language** that incites division, anger, and violence. Morrow has even called for Gov. Cooper's death and advocated for **the public execution of politicians**.¹

SPREADING CONSPIRACY THEORIES:

Morrow works with a group that **spreads dangerous conspiracy theories** about school shootings being staged, 9/11 being an inside job, and bizarre claims linking Hitler and Obama. Robinson's social media posts also reference QAnon conspiracy theories, including **denying the Holocaust**.²

DEFUNDING PUBLIC SCHOOLS:

Morrow and Robinson want to **cut funding from public schools**, leaving kids with fewer resources. This will only lead to larger class sizes, fewer school programs, and more teacher shortages.³
