

MAGA

**JUSTICES ARE
WEAPONIZING
THE SUPREME
COURT.**

**VOTE TO TAKE
OUR POWER BACK**

TUESDAY, NOVEMBER 5

DON'T SIT BACK AS TRUMP AND HIS MAGA JUSTICES ON THE SUPREME COURT TAKE AWAY OUR FREEDOM.

Another Trump presidency would empower MAGA Justices to continue stripping away the rights of everyday Americans, whether that's reproductive healthcare access, the right to keep our loved ones safe from gun violence, or freedom from pollution, *and it can get so much worse.*

THE MAGA SUPREME COURT JUSTICES:

- ⊗ **Will Implement Project 2025**
If elected, Trump will attempt to appoint three more Justices, which means a lifetime of decisions serving the interests of their billionaire backers instead of the American people.
- ⊗ **Expanded Presidential Immunity**
Were it not for MAGA Justices' interference, Trump's Jan. 6 trial would be over. Voters deserve to know whether someone running in this election is guilty of attempting to overthrow the last one.
- ⊗ **Compromise Election Integrity**
Trump told his supporters if he wins this election "You'll never have to vote again," and his Justices will play a key role in making that happen.

But this election day, we can bring in a better court that will serve the interests of every American. **This November 5th, vote for Kamala Harris and Tim Walz to protect our freedoms, our families, and our futures.**
