We’re
VOTING
REPEAL on
MEASURE 435

Support our communities, schools, and children's future.

By voting to REPEAL, you'll be voting to protect our public education, keep public money in public schools, and protect our children's future.

This bill currently:

- Funnel millions of dollars away from public schools
- Will divert \$100 million in public funds to unregulated private schools over the next 10 years
- Forces local communities to increase already-high property taxes to make up for lost public school funds
- Will lead to crowded classrooms, lower teacher pay, and fewer resources for public schools

We can't afford to pay for two school systems—one public and one private—when we are already struggling to pay for the one we have now. Every child deserves access to a good education, and 90% of Nebraska's kids attend public schools.

**Vote early from
now until Nov. 4.** 
Election Day is Nov. 5.
